

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number SR09141RC

This certificate issued to

Texas Aviation Services
3901 North Main St., Hanger 2 South
Fort Worth, TX 76106-2752

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 29 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number: H9SW

Make: Bell Helicopter Textron

Model: 222U; 230; 430

Description of Type Design Change: Installation of a Retractable Utility Step in accordance with Premier Aviation Inc., Master Drawing List Number C00-13002, Rev "B", dated October 01, 1996 and Unincorporated ECO# 4859, No Rev, dated October 10, 1996, or later FAA approved revisions.

Limitations and Conditions: The installer must determine whether this design change is compatible with previously approved modifications. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission. Installation of the Utility Step valid only on aircraft equipped with skid type landing gear. Rotorcraft Flight Manual Supplement (RFMS) No. M09-63001, No Rev, dated October 28, 1996, or later FAA approved RFMS is required.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : March 07, 1996

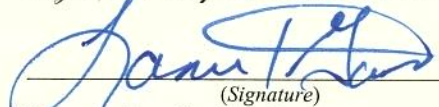

Date reissued : 4/30/2003; 3/11/2010

Date of issuance : October 22, 1996

Date amended :

By direction of the Administrator
